DETAILED ACTION

714.14 Amendments After Allowance of All Claims

Under the decision in *Ex parte Quayle*, 25 USPQ 74, 1935 C.D. 11; 453 O.G. 213 (Comm'r Pat. 1935), after all claims in an application have been allowed the prosecution of the application on the merits is closed even though there may be outstanding formal objections which preclude fully closing the prosecution.

First office action was taken as *Ex parte Quayle* allowing claims 1-14, which closes the prosecution of the application on the merits. However, applicant amended the claims by adding new claims 15-18. The newly added claims encompass different scope from the original set of claims. The examiner communicated with the attorney, Chad J. Billings (Reg. No. 48,917) to discuss matter. The examiner explained that a final rejection would be taken as new set of claims was added after *Ex parte Quayle*. The applicant declined to cancel the newly added claims. As a result, this action is made final.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the

Art Unit: 2634

shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
